Mandatory Unit

Grading Notes:
There is no optional unit for omission in GCSE Mathematics.
Candidates must complete one <i>Modular Test</i> and one <i>Completion Paper</i> .
UMS boundaries at Unit Level are stable for the lifetime of the specification and will not change.
Raw Mark boundaries at Unit Level are set independently in each examination series.
Using this series' Raw Mark boundaries to estimate future boundaries must be used with caution as they change.
A* is only awarded at subject level and is a derived grade set independently in each examination series.
Using this series' A* boundary to estimate future A* boundaries must be used with caution as it changes.
