Grading Notes:

Candidates must complete one *Modular Test* and one *Completion Paper*.

Unit Level UMS boundaries are stable for the lifetime of the specification and do not change.

Unit Level Raw Mark boundaries are set independently in each examination series.

Grade A* is only awarded at subject level. The A* UMS boundary is set independently in each examination series.

Using this series' Raw Mark boundaries and A* boundary to estimate future boundaries must be used with caution as they change.
