Preparation

- Learn vocabulary for each topic. There is a Vocabulary List available on the CCEA web site.
- Add in other words which you come across in your text book or individual study.
- Review vocabulary constantly.
- Do not leave vocabulary learning to the last minute.
- Listen carefully to pronunciation of all recorded material.
- Record your conversation and listen to it critically.
- Think of ways to upgrade it, e.g. by adding in adjectives, using conjunctions, e.g. weil, als.
- Read the grade descriptions in the Specification on the CCEA website and be aware of what you must be able to do to achieve a top grade.
- Make sure you have opinions and are able to express them and give reasons.

- Invest time in preparing what you want to say.

 - Such questions give you the opportunity to take the initiative and add in details of your own.
- It is important to show that you can keep a conversation going.
