**NOTES:** \* QQ = Working towards level 1

As a caveat when interpreting these results, it is acknowledged that these Levels of Progression assessments for Communication, Using Mathematics and Using ICT, introduced since 2012/13, need time to embed and the Department recommends caution when analysing data from the first years' implementation.

*2016/17 data have been produced based on submitted returns from approximately 16% of primary schools. The remaining schools did not submit returns due to industrial action.*
