**NOTES:** \* QQ = Working towards level 1

*Data from 2012/13 onwards are based on the new Levels of Progression; these results are not directly comparable with Key Stage Assessment outcomes from previous years. The Department of Education recognises that these new arrangements will need time to embed and has **recommended caution in analysing data and benchmarking performance at this time.***

*2013/14 data have been produced based on submitted returns from approximately 52% of post primary schools. The remaining schools did not submit returns due to industrial action.*
