

Key facts for Summer 2021 alternative awarding process

1

There are no public examinations

6

Centre Determined Grades will be based on a student's work

2

Teachers will use their professional judgement to decide grades. *(We are supporting this work with training, support materials and guidance)*

7

Work **completed at home** can contribute to the evidence

3

Evidence can take multiple forms e.g. coursework, previous class assessment, CCEA's **optional** assessment resources and/or classwork

8

Schools will let students know what evidence is being used

4

The CCEA assessment resources are **optional** *(These will be marked by teachers)*

9

The **full range of grades**, including A*, will continue to be awarded for GCSE and A level

5

Students will only be **assessed** on what they have **been taught**

10

There is **flexibility** for schools as everyone will have had a different learning experience
