

## Active Learning Strategies - Supporting progression through the NI Curriculum at Key Stage 3

Wednesday 12 February, 9:30 am - 3:00 pm

Suitability: Key Stage 3 Science Teachers

Free. Book via [events@ccea.org.uk](mailto:events@ccea.org.uk)

This event aims to inspire & inform Key Stage 3 Science teachers by exemplifying science pedagogical approaches through four workshops.

Each of which are designed to support many of the statutory requirements of the NI Curriculum.

The event's schedule is as follows...

(10:00 - 11:00) Connecting science learning

(11:00 - 12:00) Using science investigation to support progression through the NI Curriculum

(13:00 - 14:00) Enquiry-based approach to practical science

(14:00 - 15:00) Developing skills through chemistry

*Lunch will be provided.*

**Book Now on the link below as places are limited:**
