

Equality Screening Template

Part 1: Policy Scoping

The first stage of the screening process involves scoping the policy under consideration. The purpose of policy scoping is to help prepare the background and context and set out the aims and objectives for the policy being screened. At this stage, scoping the policy will help identify potential constraints as well as opportunities.

Information about the policy

Name of the policy: **Flexible Working Arrangements**

Is this an existing, revised or a new policy? Revision of 7 policies now included in one document

What is it trying to achieve? (intended aims/outcomes)

As an equal opportunities employer CCEA recognises the potential benefits flexible working and a better work life balance brings to employees and the organisation. By providing flexible working options, CCEA can retain and benefit from the skills and experience of staff it has trained and developed, whilst helping staff to combine work and other commitments more effectively.

CCEA offers a range of options for flexible working to allow employees to change the length, location or duration of their working hours, subject to consideration of business needs.

This Flexible Working Arrangements Policy outlines how requests for flexible working should be made by members of staff and the procedures CCEA will use to consider these requests.

If the decision is not to conduct an equality impact assessment, please provide details of the reasons.

Mitigation

If the decision is not to conduct an equality impact assessment you may consider mitigation to lessen the severity of any equality impact, or the introduction of an alternative policy to better promote equality of opportunity or good relations.

Yes

No

X

If yes, give the reasons to support your decision, together with the proposed changes/amendments or alternative policy.

Timetabling and prioritising

If the policy has been 'screened in' for equality impact assessment, then please answer the following questions to determine its priority for timetabling the equality impact assessment.

On a scale of 1-3, with 1 being the lowest priority and 3 being the highest, assess the policy in terms of its priority for equality impact assessment.

Priority criterion	Rating (1-3)
Effect on equality of opportunity and good relations	N/A
Social need	N/A
Effect on people's daily lives	N/A
Relevance to CCEA's functions	N/A

The total rating score will be used to prioritise the policy in rank order with other policies screened in for equality impact assessment. This list of priorities will assist CCEA in timetabling.

Part 4: Monitoring

Where a policy has been amended or an alternative policy introduced, effective monitoring will help you identify any future adverse impact arising from the policy, which may lead to carrying out an equality impact assessment, as well as helping with future planning and policy development.
