

Bus Timetable

Problem

Below is an extract of the timetable for the Maiden City Flyer service.

Trish lives near Maghera and wishes to travel to Belfast. She lives a five minute drive from the Maghera Park and Ride, and a 15 minute drive from the Dungiven Park and Ride.

When she arrives at Belfast she will have the following things to do:

- She will attend an interview at 10.00 am.
 - The interview is a five minute walk away from the North Street bus stop and a 20 minute walk away from the Europa bus stop.
 - She wants to arrive for the interview at least 15 minutes before it starts.
- She then plans to meet a friend for lunch at 12.00 pm, watch a film in the cinema, and do some shopping. She needs to be home no later than 7.00 pm.
