Emergency Care (Continued)

For 2018 the Northern Ireland NHS Trusts decided to hire more staff to help with the increasing demands for emergency care.

Their budgets only allow them to hire extra staff for three days during the week.

Using Bar Chart 2, on which days do you think the extra staff would be most useful in 2018?

Bar Chart 2

Average Number of Attendances at Emergency Care Departments by Day of Week (September 2015 and September 2016)
