

Who Represents Me?

Outline

This activity is designed to consolidate learning after having completed the presentation and some (or all) of the interactive activities. The pupils may use the internet to find out who represents them on Local Council, at the Northern Ireland Assembly and at the UK Parliament. Links are provided below. They can record their findings on the Democracy worksheet provided. Give them opportunities to consider what they might ask their politicians and identify issues that are important to them. Encourage them to reflect on the Active Citizen activity and what they can do to influence the world around them until they are eligible to vote at 18.
