What is the job that you are researching?

ARP

What was the role of a ARP ?  
(in your own words)

ARPs helped check upon the  
black out too. They helped people  
get to Anderson shelters.

What do you think would have happened if this job had never existed during WW2? (consequences) Give reasons please.

I think if ARPs never existed  
most people would of got  
bombed

Do you think this was an important job during the war?

Please explain your reasons based on your research.

yes! I think it is a very important job. if ARP's weren't real loads of people would of died.

✓ Would you have liked to have carried out this job during WW2?

Please give reasons for your answer.

I wouldn't like to have carried out this job beacuse I would of been to scared incase a bomb "dropped on me"
