## Budget Record

Your group must plan a summer fun day out in each capital city for your celebrity and their friends. The budget for each day is £70 per head. Plan the day using the price lists in Resource 1.10: Summer Fun. Use this budget sheet to record your choices and the price for each.

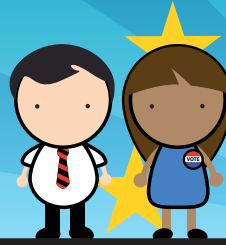

As an optional extra, your celebrity and their friends may also visit a major tourist attraction in the capital. To select and price these, use the internet to visit tourist information sites.
