

Why Going to School can be Good for Us

We can play with our friends and talk to them.

Why Going to School can be Good for Us

We can play with our friends and talk to them.

After-school clubs are good fun.

Why Going to School can be Good for Us

We can play with our friends and talk to them.

After-school clubs are good fun.

We learn to read and write.

Why Going to School can be Good for Us

We can play with our friends and talk to them.

After-school clubs are good fun.

We learn to read and write.

We learn more about the world.

Why Going to School can be Good for Us

We can play with our friends and talk to them.

After-school clubs are good fun.

We learn to read and write.

We learn more about the world.

We'd get bored at home all day.

Why Going to School can be Good for Us

We can play with our friends and talk to them.

After-school clubs are good fun.

We learn to read and write.

We learn more about the world.

We'd get bored at home all day.

We won't get a good job if we have no education.

Why Going to School can be Good for Us

We can play with our friends and talk to them.

After-school clubs are good fun.

We learn to read and write.

We learn more about the world.

We'd get bored at home all day.

We won't get a good job if we have no education.

The school computers are better than the ones at home.

Why Going to School can be Good for Us

We can play with our friends and talk to them.

After-school clubs are good fun.

We learn to read and write.

We learn more about the world.

We'd get bored at home all day.

We won't get a good job if we have no education.

The school computers are better than the ones at home.

We mix with people who are different from us.

Why Going to School can be Good for Us

We can play with our friends and talk to them.

After-school clubs are good fun.

We learn to read and write.

We learn more about the world.

We'd get bored at home all day.

We won't get a good job if we have no education.

The school computers are better than the ones at home.

We mix with people who are different from us.

If we stay at home we'll have to help with the housework.
