

## Making Linen – Memory Game

On Monday we saw that the **FLAX** seeds had grown into **LINT** plants

On Tuesday we pulled the flax and gathered it into beets

*On Wednesday we retted the flax in the lint dam*

On **THURSDAY** we laid it out to dry

On Friday we broke it and scutched it

On Saturday we hackled it and spun it into thread

*On SUNDAY we had a REST*

**On Monday we wove it into cloth**

On Tuesday we tried to sell it, but nobody wanted our brown linen so ....

On Wednesday we had to **BLEACH** it.
