

## Resource 1 (Activity 1)

### Then And Now

Compare yourself now to when you were nine years old by filling in the answers to the questions below. Extra space is provided for you to add some more areas of change of your own.

	When I was 9 years old	Now, when I am ___ years old
Your hairstyle		
Your favourite music		
What makes you laugh most		
How much you talk to/get on with your parent		
Who you are friends with		
What time you go to bed/get up in the morning		
What you think of school and the subjects you study		
Who you trust/confide in (if anyone)		
What you worry about		
What you do that could be dangerous or risky
