It feels good.	
To fit in.	
Everyone is doing it so I should be.	
Somebody to have fun with.	
To learn about the opposite sex.	
It shows that I'm as attractive as my friends.	
Somebody who will do what I say.	
Somebody to talk things through with.	
It helps you get to know yourself.	
Somebody to kiss and cuddle.	
It prepares you for more serious relationships.	
To learn to understand and listen to another.	
Because you really like them.	
Somebody to make you feel good.	
Somebody to care.	
Because the television characters in our favourite soap opera have boy or girlfriends.	
I enjoy a girl or boy's company.
