

- This procedure is incomplete. It needs another four lines to complete it. Type in the commands below and try to decide what is happening, then add the missing command lines.

**repeat 6[forward 50 right 60]**

**right 45**

**repeat 6[forward 50 right 60]**

**right 45**

**repeat 6[forward 50 right 60]**

**right 45**

**repeat 6[forward 50 right 60]**

**right 45**

- You can try this pattern with other polygons if you like.
