

# Key Stage 3 Using ICT

## Pupil Cover Sheet: Desktop Publishing

### Scenario

### Software

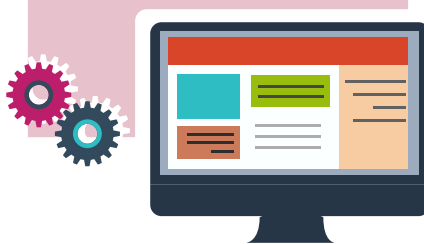

### PLAN

Look at relevant examples of publications and identify what makes them effective. Use what you find to help you plan your own publication.

### DO

With your plan as a guide, use the software tools and features to develop your ideas and create your publication.

### REVIEW

Reflect on your work. Consider how well your publication fits with your plan and how you could improve your use of ICT.
