Have Fun with Freddie

- Created a unique character that is being used to dress the Giro route.
- He is Freddie Forte – his great grandparents came to Belfast from Italy in the 1930's, settling in the area that become known as Little Italy
- Why not create an art piece using Freddie as your creative i.e.
- Living art piece / bales of hay/children dressed in pink as an outline or what about a 'Lego' Freddie!
- Decorate your business / organisation and go online with with Freddie
- NITB will be using him to dress the Giro route
