

# Key Stage 3 Using ICT

## Pupil Cover Sheet: Music Technology

### Scenario

### Software

### PLAN

Listen to examples of music and identify what makes them effective. Use what you find to help you plan your own musical composition.

### DO

With your plan as a guide, use the software tools and features to develop your ideas and create your musical composition.

### REVIEW

Reflect on your work. Consider how well your musical composition fits with your plan and how you could improve your use of ICT.
