GIRO

SCHOOLS CHALLENGE

31 March to 11 April

Are you **ready for the challenge?**
Be part of the Giro d'Italia, Ireland's biggest sporting event of 2014

The Giro d'Italia is coming, and to celebrate, Sustrans Giro Schools Challenge is inviting young people to show the professionals how it's done and to cycle, scoot and walk the school run.

How it works:
Sustrans Giro Schools Challenge gives your school the chance to compete with all others in Northern Ireland to see who can get the most pupils walking, cycling and scooting. The race is a virtual tour of the Giro d'Italia, and each day of the challenge represents a different stage of the Giro. Your school will win points based on the percentage of pupils getting to school by foot, bike or scooter. The more of you who do, the more points your school will earn... and points mean prizes!

Special one-day stages:
If the whole race sounds like too much, schools can take part in one of our special one-day stages.

Great prizes:
There are lots of fantastic prizes up for grabs, and all schools have a great chance to win.
