March 2025 - only units GDW1, GDW2 and GDW3 offered.

No cash-in is available for GCSE Double Award Science until the Summer series.

Unit Level UMS boundaries are stable for the lifetime of the specification and do not change. However, the Raw Mark boundaries are set independently in each examination series.

If you are planning to use the Raw Mark boundaries to estimate future performance and grades, they must be used with caution, as they change each series.
