Unit Level UMS boundaries are stable for the lifetime of the specification and do not change. However, the Raw Mark boundaries are set independently in each examination series.

If you are planning to use these Raw Mark boundaries to estimate future performance and grades, they must be used with caution, as they change each series.

Please note - there is no cash-in available for GCSE Double Award Science in the November 2024 series. Candidates may only cash-in in the Summer examination series.
